TITLE: BE INSTRUCTED

James 1:22

We have emphasized the doing of the word of God because of its importance and relevance to the life of a believer. But how does one do the word? The word translated for doer is "poi?t?s" which speaks of a performer; one who obeys and fulfills instructions. Therefore, when we speak of doing the word, we speak of you being instructed in the word and performing accordingly.

Beloved, allow to be instructed in the word of God. When the word says "behold", do not try to feel or think about it, go ahead and behold it. When the scripture instructs you to receive, do not hesitate, receive. We do the word when we receive it as an instruction and perform accordingly. Therefore, go ahead and adhere to every instruction that you are given in the word of God.

Meditation Notes:

"We do the word when we receive it as an instruction and perform accordingly."

Prayer: Father of Glory, I receive every word that proceeds out of your mouth as an instruction and I act upon it, doing exactly as I am instructed in Jesus' name, amen.
